4 --- --- ---

5 CHAIRPERSON BELL: I'm going to call the  
6 meeting to order. Welcome to the weekly  
7 afternoon meeting of the Board of Police  
8 Commissioners. I am your chair, Willie Bell from  
9 District 4 and this is the Board of Police  
10 Commissioners. Make sure you're at the right  
11 place at the right time. I'm going to ask that  
12 our chaplain, she is going to introduce herself  
13 and have an opening prayer. And keep in mind the  
14 officers who are facing health challenges from  
15 the incident last night.

16 (Whereupon the Deputy Chief  
17 Chaplain Taylor conducted the  
18 opening prayer.)

19 CHAIRPERSON BELL: Thank you, Chaplain  
20 Taylor. I'm going to ask commissioners to  
21 introduce themselves but we have an excused  
22 absence for Commissioner Elizabeth Brooks and  
23 Commissioner Richard Shelby and hopefully  
24 Commissioner Lisa Carter will be joining us  
25 shortly. So I will start to my left.

1 COMMISSIONER CRAWFORD: Commissioner  
2 Reggie Crawford, District 3.

3 COMMISSIONER MOORE: Commissioner  
4 Ricardo Moore, Vice-Chairman, District 7.

5 COMMISSIONER SANDERS: Commissioner  
6 Derrick Sanders, At-Large.

7 COMMISSIONER DEWAELSCHE: Commissioner  
8 Eva Garza Dawaelsche.

9 CHAIRPERSON BELL: Thank you. I cannot  
10 call the meeting officially to order because we  
11 do not have a quorum at this time so we would  
12 move to introduction. To my far left sitting in  
13 for the Chief of Police James Craig is Deputy  
14 Chief, one of my favorite deputy chiefs, René  
15 Hall. She's joining us this afternoon  
16 representing the Chief and she will be reporting  
17 out in some time frame. If you want to introduce  
18 any staff at this time.

19 DEPUTY CHIEF HALL: At this time I'll  
20 have them stand up. Starting with DC Washington.

21 MS. WASHINGTON: Cilia Washington, Legal  
22 Adviser.

23 MR. HUGH: Sergeant Hugh with Office of  
24 the Chief.

25 MR. SIMS: Deshawn Sims.

1 MS. YOUNG: Lisa Young, agency CFO.

2 DEPUTY CHIEF HALL: Sharon Tillman is  
3 back in the back trying to hide.

4 MS. TILLMAN: Sergeant Sharon Tillman  
5 from Recruiting and we also have retired Joanna  
6 Lee Johnson.

7 CHAIRPERSON BELL: Thank you, Deputy  
8 Chief. Next would be introducing of the Board  
9 staff Mr. Gregory Hicks, our board secretary.  
10 Thank you, Mr. Chair. Just wanted to indicate  
11 that we have several members of our staff who are  
12 present today. To our immediate right is Robert  
13 Brown and on the first row Ms. Underwood, Ms.  
14 Johnson, Ms. White and then I'm going to come  
15 back to, Chief Drake's staff. I also want to  
16 indicate that Gail Oxendine is also present.  
17 She's in the front row. And I would also want to  
18 report to you that Denise Ward is the--I'm sorry  
19 -- Shay Coleman is the court reporter. Media  
20 services is taping or doing the audio visual work  
21 today and Sergeant Quinn is taping today's  
22 activity. Ms. Drake.

23 MS. DRAKE: Good afternoon. For the  
24 record, Pamela Davis-Drake, Chief Investigator.  
25 With us today I'm going to have them introduce

1 themselves.

2 MR. CRIMWELL: Asa Crimwell,  
3 supervising investigator.

4 MR. AKBAR: Lawrence Akbar, supervising  
5 investigator.

6 CHAIRPERSON BELL: Thank you, Mr. Hicks  
7 and staff. Good to see you this afternoon. Do  
8 we have any elected officials or representative  
9 of any elected officials?

10 (None responded.)

11 CHAIRPERSON BELL: Wow. We're all  
12 family. Okay. I see Madam President. Could you  
13 introduce yourself.

14 (Inaudible)

15 MS. BUTLER: Katrina Butler (ph),  
16 Community Relations Council.

17 CHAIRPERSON BELL: And I see Sharon  
18 Panell (ph). Please stand up.

19 MS. PANELL: Sharon Panell from Detroit  
20 Police Academy.

21 CHAIRPERSON BELL: Thank you for your  
22 attendance. Any others that we might have  
23 missed?

24 MS. SMITH: I'm Bernice Smith, your  
25 precinct delegate from 149.

1 CHAIRPERSON BELL: Good to see you, Ms.  
2 Smith. Thank you. The next item would be my  
3 report. Mr. Secretary, do I have to pause to  
4 give that report or see if we're going to get a  
5 quorum or if I can do announcements.

6 MR. HICKS: No, Mr. Chair, I don't think  
7 there's any problem with you giving the report.  
8 There's no action items in your report that  
9 requires a vote of the Commission.

10 CHAIRPERSON BELL: Okay. Seems like  
11 we're in order. I just want to report out that  
12 we all know the non-fatal shooting of two Detroit  
13 police officers I'm pretty sure Deputy Chief Hall  
14 is going to respond to that. My understanding  
15 they are well and we continue to pray for  
16 recovery from the Wednesday night incident.

17 The next announcement would be, I'm  
18 somewhat out of order, but March 30th we have a  
19 community meeting on immigration at Lesaed Youth  
20 Center and there's a flyer and I'm going to ask  
21 our Chair to report out on that in one second --  
22 well, why don't we do it now.

23 COMMISSIONER DAWAELSCHE: Thank you, Mr.  
24 Chair. We at our last meeting agreed that given  
25 -- well, the last couple of meetings we had

1 talked about having a community meeting, a  
2 special community meeting, in Southwest Detroit.  
3 We had some leaders from the community come and  
4 address the Commission indicating that there was  
5 a lot of fear in the community and that things  
6 were happening as it relates with the community  
7 and the police and so we felt that it might be a  
8 good idea to have a meeting there so that we  
9 could kind of reassure the community and lay some  
10 of those fears and maybe even educate the  
11 community on some resources that might be  
12 available to our immigrant community and maybe  
13 some of their friends, family that may be  
14 undocumented.

15 And so we did put a panel together  
16 and I want to thank the Chair for being so  
17 receptive to our having this forum and also the  
18 Board Secretary and staff who have helped put  
19 together a panel that will be at that meeting  
20 March 30th at 6:30 at Lasaed Youth Center. There  
21 is a flyer available at the back of the table. I  
22 put some out there and I encourage you to take  
23 them. We did them in English and Spanish because  
24 we want to spread them out to the community far  
25 and wide. So if you have any constituents who

1 would be interested or any people that you know  
2 of that are working with the immigrant community,  
3 this would be a very good meeting for them to go  
4 to because it's a different area of questions  
5 that we're answering and that is law enforcement  
6 and that kind of information. So we did--we do  
7 have four individuals that are going to--I'm  
8 sorry--five individuals that are going to be on  
9 the panel. We have Dr. Agustin Arbulu who is the  
10 Director of Michigan Department of Civil Rights.  
11 We have Chief James Craig. We have Council  
12 Member Raquel Castaneda-Lopez from the Detroit  
13 City Council, Adonis Flores from Michigan United  
14 and they're doing a lot of work in the community  
15 with regard to immigrants and, you know, working  
16 with undocumented immigrant members as well.  
17 And then we have Michael Nolan, who is an  
18 immigration attorney with Clark Hill who has an  
19 extensive background in working with immigrant  
20 community and dealing with a lot of the issues.

21 So we're also going to invite community  
22 organizations to have resource tables. We'll  
23 have a few so that in case individuals from the  
24 community need some discussion or assistance  
25 we'll have those resource tables available. So

1 we were able to organize this in a very short  
2 period of time, so we hope it will be very  
3 helpful to our community. I want to thank  
4 Ms. Cilia Washington because she's also been  
5 helping and very kindly referring people for the  
6 panel as resources for this event. So thank you  
7 very much to everybody for helping to plan it.

8 CHAIRPERSON BELL: Thank you,  
9 Commissioner Dewaelsche. I want to acknowledge  
10 Commissioner Conrad Mallett let who has joined  
11 us. Good to see you this afternoon, sir.

12 COMMISSIONER MALLETT: Thank you, sir.

13 CHAIRPERSON BELL: It appears we now  
14 have a quorum. Therefore, I'm going to call the  
15 meeting officially to order again and we already  
16 conducted roll call and I'm going to ask  
17 Commissioners to approve the Agenda for this  
18 afternoon's meeting.

19 COMMISSIONER CRAWFORD: So moved.

20 COMMISSIONER MOORE: Support.

21 CHAIRPERSON BELL: Those opposed?

22 (None responded)

23 CHAIRPERSON BELL: Motion carried. The  
24 next item of business will be approval of the  
25 Minutes from March 9, 2017.

1 COMMISSIONER MOORE: So move.

2 COMMISSIONER DAWAELSCHE: Support.

3 CHAIRPERSON BELL: Those in favor, aye?

4 (Several responded by indicating  
5 aye.)

6 CHAIRPERSON BELL: Motion carries.

7 Thank you. I would continue on with my report  
8 and thanks Commissioner Dawaelsche. That's a  
9 very, very important meeting, I'm informed, not  
10 just for the community but Metropolitan Detroit  
11 and I warrant to extend the invitation and get  
12 the word out as we go forward March the 30th at  
13 6:30 p.m. That's a major time change in our  
14 meeting schedule so I want to do everything we  
15 can possibly do in terms of promoting and making  
16 people aware.

17 Tomorrow March 17th would be graduation  
18 class 2017 at Greater Grace Temple. You know the  
19 address. You should know the location. It's  
20 going to be at 10:30 a.m. and we had opportunity  
21 to speak to the class on Monday morning and I  
22 commend Chief Investigator Pamela Davis Drake for  
23 bringing the weather and getting there on time.  
24 It was good dialogue; approximately 30 young  
25 people. And they were very enthused in terms of

1 entertaining all our questions, concerns and  
2 interactions with that particular class. And we  
3 have another class scheduled for next Monday for  
4 those who might want to attend, Commissioners,  
5 it's going to be at 10:30 at the Academy. So  
6 that's good dialogue and they are looking forward  
7 to graduating tomorrow. We are looking forward  
8 in graduating tomorrow and giving their  
9 assignments. I see Assistant Chief James White  
10 has joined us. Good to see you and some others  
11 may have joined us. Thank you. I appreciate  
12 her.

13 Commissioners, you have a recommendation  
14 we need to work that up in terms of body cameras  
15 and electronic control weapons, and we need your  
16 feedback so we can share this feedback with the  
17 Department. You have that before you. You have  
18 the information so as we move forward on that.  
19 And there's also you have communication in  
20 reference to on accord. Please read the  
21 information and give us some feedback on that  
22 particular item. So we appreciate that.

23 I just want to, on a sad note, make  
24 mention that former retired Commander Troy  
25 Quinn just in the last 24 hours, so lift up his

1 family as we go forth. There's no other  
2 information at this time. My classmate who was  
3 also interim chief investigator here with OCI and  
4 also supervising Investigator Harrison Tolver's  
5 (ph) mother passed and we offer condolence to the  
6 family and we lift them up. And the funeral is  
7 not this Saturday but next Saturday. We will  
8 circulate the information on that. As you will  
9 know, family members work for OCI, so keep that  
10 in mind, that would be your grandmother. So as  
11 we move towards bereavement keep them in your  
12 prayers, as they say, in the spirit of it all.  
13 That's all I have to report out at this time, and  
14 I'm pleased that we're moving towards  
15 March 30th. I think it's crucial that we respond  
16 to the issues at hand because it's a whole lot of  
17 issues of fear in the land and we want to try to  
18 alleviate that as far as our role in terms of the  
19 DPD and the Board of Police Commissioners and  
20 others who have been working their due diligence  
21 in that particular issue. We have resolution for  
22 two individuals who are retiring from the Detroit  
23 Police Department and I'm going to ask, first of  
24 all, our Vice Chair to lift up the first one in  
25 terms of Officer Ward.

1 MR. MOORE: Resolution on Retired Police  
2 Officer Vannice Ward. Whereas Mr. Vannice Ward  
3 was appointed to the Detroit Police Department on  
4 January 17, 1995 and upon graduating from the  
5 Detroit Metropolitan Police Academy, Officer Ward  
6 began his career assigned at the 9th Precinct.  
7 Now, therefore be it resolved that the Detroit  
8 Board of Police Commissioners speaking on behalf  
9 of the Detroit Police Department and the citizens  
10 of the City of Detroit, recognize the devoted  
11 commitment to public safety of Officer Vannice  
12 Ward. His pride and dedication has been valuable  
13 assets to the Department and merits our highest  
14 regard. We thank and congratulate you, Officer  
15 Vannice Ward. Move for adoption, Mr. Chair.

16 COMMISSIONER MALLETT: Support.

17 CHAIRPERSON BELL: Its been properly  
18 moved. Those in favor.

19 (Several responded by indicating  
20 aye.)

21 CHAIRPERSON BELL: Resolution passed.  
22 Thank you. The next resolution Commissioner  
23 Crawford is going to address that and you're  
24 going to take the podium because that young lady  
25 is in the house.

1                   COMMISSIONER CRAWFORD: After I read  
2 this resolution I have some personal comments.  
3 I'm really Honored to stand here and read this  
4 resolution pertaining to investigator Suzette  
5 Sharper. Resolution honoring Investigator  
6 Suzette Sharper. Whereas Ms. Suzette Sharper was  
7 appointed to the Detroit Police Department  
8 October 13, 1986. Upon graduating from the  
9 Detroit Metropolitan Police Academy, Officer  
10 Sharper was assigned to the 8th Precinct.

11                   And whereas, Officer Sharper faithfully  
12 and dutifully worked in numerous areas of the  
13 Department which included the 6th Precinct,  
14 Narcotics Section, the 12th Precinct and  
15 Community Policing Division.

16                   And whereas Officer Sharper's upward  
17 career in-law enforcement was demonstratively  
18 enhanced by her love for the City of Detroit and  
19 its citizens. She was promoted to rank of  
20 investigator on March 21, 1997 and assigned to  
21 the Police Recruiting Section where she remained  
22 until retirement and whereas Investigator Sharper  
23 was the deserving recipient of one (1) Chief's  
24 Unit Award, one (1) Departmental Citation, three  
25 (3) Chief's Citations, her Firearms Qualification

1 categories of over the last sixteen years are  
2 eight Expert, fourteen (14) Sharpshooter and five  
3 (5) Marksman. She also received a Major League  
4 Baseball All-Star Recognition Award, the Rosa  
5 Parks Funeral Recognition Award, the Super Bowl  
6 40 Recognition Award, and numerous letters of  
7 commendation from citizens and superiors.

8           Whereas, Investigator Sharper has proven  
9 herself selfless and giving to the call of public  
10 safety. She will retire from the Department  
11 March 24, 2017 with over 29 1/2 years of  
12 dedicated service to the citizens of Detroit.

13           Now, therefore, be it resolved that the  
14 Detroit Police Commissioners speaking on behalf  
15 of the citizens of Detroit and Detroit Police  
16 Department recognize and honor the long  
17 commitment of Investigator Sharper. She has  
18 devoted her life to public service and safety and  
19 has executed duties of a remarkable officer.  
20 Your exemplary efforts and selflessness giving  
21 merits to our highest regard. We thank you and  
22 congratulate you, Investigator Suzette Sharper.  
23 Detroit Board of Police Commissioners. Thank  
24 you.

25           CHAIRPERSON BELL: Its been properly

1 moved and supported. Those in favor, aye.

2 (Several responded by indicating  
3 aye.)

4 CHAIRPERSON BELL: Those opposed.

5 (None responded.)

6 CHAIRPERSON BELL: Motion carries.

7 COMMISSIONER CRAWFORD: On a personal  
8 note, some 20 something years ago, very fortunate  
9 that then Officer Sharper, ultimately  
10 Investigator Sharper became a part of a group of  
11 police officers. We started an organization  
12 called DAAP, Detroit African American Police, and  
13 she worked tirelessly for years with our  
14 organization. Not only for the betterment of the  
15 Police Department but also for the community.

16 I mean, countless days and months of  
17 work not only in the community but within the  
18 Department. I do appreciate you for standing up  
19 all those years and not only in the beginning of  
20 the group but, you know how hard we work to make  
21 this a better place and a better department. I  
22 can say on behalf of the members of that  
23 organization too, thank you.

24 CHAIRPERSON BELL: I think that your  
25 better half will want to join you at some point

1 in time. He's my former officer of the 4th  
2 Precinct. He followed me at OCI Lloyd Sharper  
3 and he's part of the 7-Mack and Gratiot group of  
4 people that served this Department back in the  
5 '70s. Thank you esteemed Board. I'd like to  
6 recognize each and every one of you and thank you  
7 for this opportunity to address you.

8 I'd also like to recognize my esteemed  
9 supervisors and also my staff and co-workers, my  
10 staff, but my co-workers and each and every one  
11 who is in attendance here. I am humbled by this  
12 award. I really appreciate this. I am a product  
13 of Detroit and the Detroit Public School. I  
14 really appreciate the opportunity. I appreciate  
15 and I lift up the names of the trailblazers who  
16 made it possible for me to come onto the Police  
17 Department.

18 I really appreciate that and it has been  
19 my pleasure to serve the Department and the City  
20 of Detroit for actually over 30 years. I would  
21 like to say an old African proverb I am because  
22 you are. Because you are awesome, because you  
23 persevere because of your wit, your direction,  
24 your friendship, your honor and all of the other  
25 positive things.

1                   Lastly, but definitely not least, I'd  
2                   like to lift up and recognize my husband, retired  
3                   Lieutenant Lloyd Sharper who has well over 30  
4                   years of service with the Detroit Police  
5                   Department. I appreciate him. He's been my  
6                   mentor, my friend and he has definitely  
7                   encouraged me as we both together served the City  
8                   of Detroit. Thank you and God speak to each and  
9                   everyone.

10                   CHAIRPERSON BELL: We wish you the best  
11                   in your retirement and your challenge, your life,  
12                   there is life after retirement and I wish you all  
13                   the sunshine and all God's blessing each and  
14                   every day. I have one challenge for you, take  
15                   care of Brother Sharper. It's always good when a  
16                   person take time to come out and receive those  
17                   resolutions. It's always a blessing to see and  
18                   interact with them, but your recruitment family,  
19                   your last assignment, to share that with you and  
20                   I know you have a celebration coming up on  
21                   Monday. I'm going to try to get by that. It's  
22                   just really a blessing.

23                   The next point of business would be our  
24                   very own Deputy Chief René Hall who is going to  
25                   report out for Chief Craig and we are now joined

1 by Commissioner Willie Burton.

2 MS. HALL: Good to see you this  
3 afternoon, sir. The first thing I want to talk  
4 about is I'm going to give you some crime  
5 statistics. We are steadily seeing a decrease  
6 in our aggravated assault and as well as our  
7 robberies. We've seen a slight increase in our  
8 now fatal shootings and our homicides, but they  
9 are trickling down. We are only two more this  
10 year than we were this time last year for our  
11 homicides, and for our non-fatal shootings we're  
12 only three more this year than we were this time  
13 last year.

14 I do want to take a moment just to bring  
15 you up to speed with the officers and the  
16 incidents that happened last night. As most of  
17 you know, and have seen the news, we have two of  
18 our officers from the 3rd Precinct who were  
19 engaged by gunfire by a lone assailant. We have  
20 since apprehended him. It was a coordinated  
21 effort last night by Michigan State Police,  
22 Border Patrol, DPS, FBI, ATF. When we talk about  
23 law enforcement and brotherhood and sisterhood,  
24 it is truly and truly an honor that when one of  
25 us calls for help or says officer down; we never

1 want to hear that. We never want to hear those  
2 words, but the kind of response that we got on  
3 last night and on so many other times that it's  
4 too many to count, but just that level of respect  
5 and the togetherness that we shared makes this  
6 job worth doing it even in the danger that we see  
7 on everyday.

8 The officers are in stable condition.  
9 One of the officers took a bullet to the ankle.  
10 He has a broken leg. He went into surgery this  
11 morning. He is still doing fine. The other  
12 officer, I don't necessarily want to call their  
13 names, but the other officer took a bullet to the  
14 neck. He's still awaiting a surgery. There's  
15 going to be a few more complications. We're just  
16 asking each and every one of you to continue to  
17 lift us up as a Department and the two of them  
18 individually and their families in prayer. We  
19 truly need that. We know that they're going to  
20 be okay. We believe that. Just thank you for  
21 your continued support, Board, your texts, your  
22 calls, those of you who showed up at the multiple  
23 locations. We just appreciate everything that  
24 you guys do for us in and the support that you  
25 give to us.

1                   You already talked about, Mr. Chairman,  
2                   the graduation on tomorrow, so I do not have to  
3                   talk about that, and just at this time there's  
4                   going to be a presentation regarding the charter  
5                   improvement plan by Assistant Chief White.

6                   CHAIRPERSON BELL: I want to pause for  
7                   one second. Commissioners, do you have any  
8                   questions or concerns for Deputy Chief?

9                   COMMISSIONER CRAWFORD: Just a  
10                  statement. I wish the officers a speedy recovery  
11                  on behalf of the Board.

12                 CHAIRPERSON BELL: Thank you.

13                 COMMISSIONER DAWAELSCHE: Mr. Chair, if  
14                 I can make one comment. I know I've said this  
15                 numerous times, as a lifelong resident of Detroit  
16                 is the speed at which you are apprehending the  
17                 criminal. I was amazed that it was being shown  
18                 on TV. It was just being announced that two  
19                 officers were shot and then within the hour,  
20                 couple of hours, you apprehended them so I just  
21                 want to commend you and I feel so much safer as a  
22                 resident, so thank you very much, for that.

23                 MS. HALL: Thank you. I do want to say  
24                 that that is due to our relationship with you and  
25                 our community. We cannot without the help of you

1 -- we've got telephone calls. We got tips from  
2 everyone who could possibly have known this  
3 individual and where he once resided. So it's  
4 our relationship and we can just continue that  
5 and we're doing our part to ensure that that  
6 relationship stays strong, so thank you very  
7 much.

8 CHAIRPERSON BELL: Thank you. AC White.

9 ASSISTANT CHIEF WHITE: Good afternoon,  
10 Board. Assistant Chief James White. So we have  
11 a number of reports that are being prepared for  
12 the Board's approval. We have a few reports that  
13 I'd like to just talk about briefly one being the  
14 plan of action, which is a very comprehensive  
15 approximately sixty page document that my staff  
16 actually--my staff of one is in the process right  
17 now of breaking out with regards to answering the  
18 questions from the previous plan of action.

19 Then we have the improvement plan which  
20 is another document that I have with me today  
21 that we've just completed. This is a 78 page  
22 document which by charter talks about where we  
23 are with the Department and where we intend to  
24 go in the near future and the future state it  
25 will conclude with the ideas that we're bringing

1 forward for 2017 and then there's the annual  
2 report, which is approximately a hundred pages.  
3 So, as you can imagine, it's a great opportunity  
4 to gain some efficiencies and process by  
5 presenting one report that I believe encompasses  
6 all of those concerns and that would be the  
7 annual report. So, I don't know, certainly this  
8 is not the time to resolve that issue but I just  
9 want to make the Board aware that there are three  
10 reports that, in essence, are asking the same  
11 information. I believe that we can accomplish it  
12 by dedicating those efforts and resources to  
13 providing you with a comprehensive annual report.

14 COMMISSIONER MOORE: Through the Chair,  
15 just a quick point of clarification. Are all  
16 three reports separate requirements of the City  
17 Charter?

18 ASSISTANT CHIEF WHITE: The only report  
19 that I see that's a requirement of charter would  
20 be the annual report, and I'm sorry, there's two  
21 reports. There's a plan of action and the  
22 improvements report.

23 COMMISSIONER MOORE: Thank you.

24 CHAIRPERSON BELL: Commissioners, any

CHAIRPERSON BELL: What would be the timeline for combining this report in terms of reporting out? What would be your projected time?

ASSISTANT CHIEF WHITE: Well, for this year I'm going to provide all three reports and today I'll be leading in the record the presentation, not the entire report, because as I indicated, it's 78 pages. The Board will be provided a digitized copy of this report and I will be reading into the record just the executive summary of the report.

We are in the process of completing the survey unless the Board's pleasure is that the survey is not required. There will be no opposition from me on that and then the annual reports conclusion is scheduled for the next thirty days.

CHAIRPERSON BELL: That's the end of comments. Okay.

ASSISTANT CHIEF WHITE: So the executive summary, the executive overview will be just a formal reading to the record. The charter of the City of Detroit requires that the Police

1 Department submit an annual improvement plan to  
2 the Board of Police Commissioners and the Mayor  
3 of the City of Detroit. This requirement stands  
4 up to reason and organization that's complex and  
5 multi-faceted as the Detroit Police Department  
6 must undergo constant reevaluation to make sure  
7 members are missing according to nationally  
8 recognized best standards and practice in a  
9 manner that is both progressive and practical.  
10 To help ensure an improvement plan the Chief has  
11 impaneled a team of administrators to assess  
12 their current operations and to note any need for  
13 improvements.

14 Emphasis was placed on transparencies  
15 and candor and minor issues were not to serve as  
16 pretext for major issues. The team's work was  
17 then collected, reviewed and organized under this  
18 cover. We continued striving to provide optimal  
19 service for those who live, work and play in the  
20 City of Detroit. The Department has been running  
21 an aggressive recruiting campaign and they're  
22 doing outstanding work, I might add, and this  
23 initiative in order to continue to attract some  
24 of the best and the brightest as we lose some of  
25 our brightest; like Investigator Sharper. Those

1 types are certainly irreplaceable but we are  
2 striving to get that done.

3 The strong concentration of building  
4 state of the art high tech infrastructure, we are  
5 looking to update our current technology and  
6 equipment needs for our personnel. That's going  
7 to include things such as the Real Time Crime  
8 Center, new communications, and in fact this new  
9 building; those types of things.

10 We're excited to be a part of such an  
11 exciting time in the Department's history. This  
12 document will illustrate some of the innovative  
13 technological advancement that the Department is  
14 currently undertaking. Some key improvements for  
15 2017 will include but will not be limited to the  
16 completion of the new 8th Precinct facility, the  
17 completion of the 3rd Precinct facility, which is  
18 a design built out that will take what's  
19 currently there, build a locker room and turn  
20 that building into a police precinct. Further  
21 expansion of the Green Light Project expansions,  
22 additional police vehicles being incorporated  
23 into the Department's fleet, the expansion of the  
24 Department's ranks through hiring initiatives and  
25 the completion of the body wear camera and in-car

1 video initiative. The purpose of each of these  
2 projects is to help facilitate the Department's  
3 crime reduction efforts. Any improvement plan  
4 will be reduced to mere words if there was not an  
5 accountability mechanism to ensure the  
6 Department's command staff adheres to it. For  
7 this reason, the Chief tasks oversight of this  
8 plan to select them members of the Department  
9 senior management team, the deputy chief, myself  
10 and the remaining members of the senior plan  
11 management team completed in those documents.

12 He invites the Board of Police  
13 Commissioners to follow up on any matters at your  
14 discretion that you find after you review the  
15 documents. We look forward to working with the  
16 Board of Police Commissioners and the City's  
17 various departments towards the improving the  
18 quality of life for the members of the City of  
19 Detroit. Thank you. Any questions?

20 CHAIRPERSON BELL: Commissioners?

21 (None responded.)

22 CHAIRPERSON BELL: We look forward to  
23 updating in terms of overall report. Thank you  
24 for this update.

25 ASSISTANT CHIEF WHITE: And this will be

1 sent digitally today. You will have this  
2 document.

3 COMMISSIONER MOORE: Quick question. Is  
4 that available to the public now as it stands  
5 now?

6 ASSISTANT CHIEF WHITE: I would like for  
7 the Board to review it and provide you any  
8 answers to any questions that should come up,  
9 maybe next week's session, and then we can clean  
10 up the final document. We have not sent it to  
11 the Mayor's office yet. So after your questions  
12 I'd like to go back, address your questions. If  
13 it changes any data that's in the book, if you  
14 want to add something, you question anything  
15 that we have in it, and then the final draft will  
16 be made available to the community.

17 CHAIRPERSON BELL: Any other questions?

18 (None responded.)

19 CHAIRPERSON BELL: Thank you.

20 MS. WASHINGTON: Through the Chair. I  
21 have a quick presentation by DC Washington  
22 regarding some repeals.

23 DC WASHINGTON: Thank you. Through the  
24 Chair, if I may take just a moment just a bit of  
25 a liberty to follow-up on AC White's

1 presentation, which a lot of hard work did go  
2 into gathering those documents in reaching out to  
3 the units. Mr. Secretary and I worked very, very  
4 well together in working through requests that we  
5 get. I would like, if we could, because a lot of  
6 what we get is in more than one place in terms of  
7 responses to the Police Commissioners because we  
8 want to be totally responsive. In addition to  
9 what AC White presented, I would submit to this  
10 Board in addition to what is in place now for  
11 improvement plan, goals and successes, that the  
12 consent decree that our Chief brought us out of  
13 with the assistance of this Board and with the  
14 hard work of AC White I'm not sure if this Board  
15 has copies because not everybody was here then of  
16 the judge's opinion.

17 Sitting in that courtroom with the judge  
18 and hearing him, a former Police Commissioner,  
19 feeling so impassioned about the role of the  
20 Board of Police Commissioners and how he wants  
21 to see what's happening now, I thought it might  
22 be helpful to bring some copies to assist.  
23 Because in fact, this is--this was the very first  
24 improvement plan and I can share that if it  
25 pleases the Board.

1 CHAIRMAN BELL: We would appreciate it.

2 MS. WASHINGTON: Because I don't know  
3 that you all have ever seen it.

4 CHAIRPERSON BELL: We haven't and we  
5 were not here outside of some of the staff, but  
6 that would be really helpful in terms of where we  
7 are today and in terms of what's transpired.

8 MS. WASHINGTON: And in terms of the  
9 process, when I get the request from the Police  
10 Commission I should continue to forward the  
11 responses through Mr. Hicks. Is that acceptable?

12 CHAIRPERSON BELL: Yes. Because we're  
13 trying to have the Board function through the  
14 Board secretary. That is the focal point of how  
15 we have operated in the past. We have a great  
16 relationship so we can continue to do that.  
17 Thank you for allowing me to go off script a  
18 little bit.

19 CHAIRPERSON BELL: We appreciate it. I  
20 know you understand the role of the Board because  
21 you work for the Board and we appreciate your  
22 wisdom and insight. We might not always take it  
23 but we welcome it. But I appreciate the  
24 relationship. There has always been  
25 relationships since 1974. And this Board,

1 Mr. Chair is known for being able to get along  
2 with the Chief of Police. When I went to NOPO  
3 and I went to those conventions and part ICP and  
4 major city legal advisors. Not everybody has  
5 what we have here and I think that it's  
6 notable. We want to keep that going and keep  
7 moving into the same direction.

8 CHAIRPERSON BELL: It's like coming into  
9 a marriage. We came into this under the  
10 emergency manager. We had come in as seven  
11 individuals. It came down to six, and as we have  
12 outgoing commissioners and we had incoming  
13 commissioners, so its been a flow of  
14 commissioners since we have arrived in 2014; you  
15 know that. And, therefore, the training and  
16 documentation and different personalities I think  
17 we've come a long way in terms of elected and  
18 appointed and all that.

19 But basically we've got one goal; and  
20 that's to serve the City of Detroit in terms of  
21 public safety in terms of quality and  
22 accountability, so I think that's why we're here.  
23 Hopefully as we leave our seats in the future  
24 that we carry on the tradition. So I appreciate  
25 that role because the Chief in terms of the the

1 Department is operating. We are oversight. And  
2 oversight is still being explored. So what does  
3 that mean? People don't really know, and  
4 sometimes we somewhat hit and miss but we try to  
5 stay in our lane, you know. We want  
6 accountability and I think there's going to be  
7 some hick-ups, some issues, as Commissioner  
8 Mallett would know, and challenging jobs  
9 administrating. We respect that.

10 MS. WASHINGTON: We certainly, and I  
11 certainly, stand personally, and I think I've  
12 made myself available if there's anything that I  
13 can do to help I'm willing to do that.

14 CHAIRPERSON BELL: Thank you.

15 COMMISSIONER MALLETT: Mr. Chairman, if  
16 I might, one of the things I think the Board  
17 should be prepared for is the occasion of  
18 disagreement between DC Washington and our Board  
19 Secretary. You've got to do your job because you  
20 can be damn sure we're going to do ours. So if  
21 there comes a time where you feel like we have  
22 run up too close to the supervision line and  
23 we're dipping into management, you have an  
24 obligation as the lawyer for the department to  
25 speak up and say that. The chairman I think is

1 very, very conscious of the role that we play.  
2 He's trying to articulate it regularly so the  
3 public understands what our role is, but there is  
4 always going to be some dynamic tension and there  
5 are going to be days where the tension, using the  
6 marriage analogy, where it appears we might not  
7 be on the same page or maybe not speaking to each  
8 other.

9 So, but like I said, you're the lawyer  
10 for the Department. Mr. Hicks is the secretary  
11 for the Board. It cannot be that you always  
12 agree so don't be afraid. Step up. You do what  
13 you gotta do. We're going to do what we gotta  
14 do, and if it appears on occasion that it's  
15 uncomfortable so be it, that's the way it's  
16 going to be, but we are all acting, as the  
17 Chairman said, in good faith. I just want the  
18 Board to be prepared. There may be occasions  
19 where Celia stands up here and says I disagree  
20 and here's why.

21 CHAIRPERSON BELL: Thank you,  
22 Commissioner Mallett.

23 COMMISSIONER CRAWFORD: Through the  
24 Chair, Commissioner Mallett, disagreement, it  
25 will be okay.

1 CHAIRPERSON BELL: We know that's the  
2 case.

3 COMMISSIONER CRAWFORD: Love you, once  
4 in a while disagree, but it's gonna be all right.

5 MS. WASHINGTON: Absolutely. I  
6 appreciate the comments. Mr. Hicks and I, we  
7 have our moments, but we have them behind closed  
8 doors and we have--I can't remember what he calls  
9 it, but they're robust conversations, so I do  
10 appreciate the support of the Commission.

11 COMMISSIONER CRAWFORD: Yes, ma'am. I  
12 do want to state that we are empowered by the  
13 charter and we have to do due diligence and also  
14 follow the charter. And we'll do our part to  
15 make sure that happens.

16 COMMISSIONER CRAWFORD: And you're the  
17 attorney for the Department.

18 MS. WASHINGTON: So thank you. And to  
19 move forward, so today we had a brief training  
20 for our motor men and command staff and I  
21 appreciate DC Hall for pulling everybody  
22 together. And the reason it's probably important  
23 and relevant for this audience because it is  
24 televised. In the past there have been a number  
25 of issues with taxicab drivers. Its been a very

1 hot topic. Councilman Cushingberry has taken the  
2 lead on that. The result of all of those  
3 discussions in my opinion has resulted in a  
4 change of the statute. So it probably is worth  
5 mentioning that effective the the 21st of March  
6 the State will gain regulatory control over  
7 taxicabs, limousines and what we call  
8 transportation network companies. So that's your  
9 Ubers, your Lyfts. So what does that mean to the  
10 public? It means that the Detroit Police  
11 Department will no longer be enforcing certain  
12 things.

13 Now, when it comes to traffic laws,  
14 violation safety, running red lights, the type of  
15 violation that we're familiar with, the police  
16 will still be empowered to do that. There are  
17 only, under the new statute, there are only four  
18 civil infractions that the police can enforce.  
19 It's not just for Detroit. It's for any local  
20 municipality that's for improper signage;  
21 whereas, before your Ubers and your Lyfts were  
22 unidentified vehicles. Now they have to have  
23 some identifier and it has to be consistent. The  
24 transportation network companies cannot hail  
25 fares.

1                   So in the past there's been issues with  
2                   the taxicab drivers, the concierge individuals  
3                   from the hotels and the Uber drivers having  
4                   arrangements so they can't--they can only respond  
5                   to requests for transportation on the network;  
6                   the TNC that was an issue. Let me just say the  
7                   goal in this, and I understand the State  
8                   legislature's point, they heard the taxicab  
9                   drivers and they just wanted to level the playing  
10                  field. There can't be excessive in their minds  
11                  enforcement on one side and then you have the  
12                  Ubers and Lyfts doing whatever they want. So now  
13                  these TNCs and Ubers and Lyfts have to carry  
14                  proof of insurance on them at all times.

15                  And then the final piece is that they  
16                  cannot discriminate. So LARA is the regulatory  
17                  agency that will be regulating the taxicab  
18                  drivers. They have not come out with the  
19                  regulations yet. I'm working with the Law  
20                  Department so as those rigs are promulgated  
21                  through LARA we'll make sure our officers are  
22                  informed. But any interest that there are any  
23                  unfair or inappropriate pressure on one it should  
24                  be over.

25                  COMMISSIONER MOORE: You said TNC,

1 Transportation Network Companies and those are  
2 the companies that get their fares through a  
3 network.

4 CHAIRPERSON BELL: Thank you for the  
5 updates. There's one thing off the plate in  
6 terms of taxicabs perhaps dealing with that  
7 issue somewhat outside of the Traffic Enforcement  
8 Section. You don't regulate and all that.

9 MS. WASHINGTON: And trip sheets was a  
10 big deal. There was some push back on the  
11 necessity or even do you need them anymore; do  
12 they serve a purpose, but the State Legislature  
13 actually now mandates trip sheets for everybody  
14 and there are certain offenses in the Act and I  
15 have copies of it, so you can take a look. It  
16 actually rises to the level of a thousand dollar  
17 misdemeanor if they fail to do it.

18 CHAIRPERSON BELL: Thank you. I do have  
19 one concern at our last meeting and you were  
20 there, officer from the 5th Precinct name has  
21 surfaced several times on issues. We had them  
22 talk to the Department and also with our staff.  
23 I just want to know could we get some type of  
24 report back in reference to this high profile  
25 individual? Did we end up with any citizen

1 complaints from the individuals involved to the  
2 officer that was named from the 5th Precinct?

3 MS. WASHINGTON: Yes, we do have. If  
4 you're speaking to the vendors license?

5 CHAIRPERSON BELL: Yes. So in 2015 the  
6 Chief feels very strongly, and you probably  
7 noticed his body language last week, so there was  
8 a directive that was put out with regard to, in  
9 addition to Chief, the Law Department, had  
10 directed us to suspend those tickets; short  
11 version. So there's two issues; there's the  
12 scalping and the vending. No citations to be  
13 issued. We re-flashed that tele-type, and  
14 Commander Betson (ph) and I are looking at those  
15 specific tickets for those individuals and we  
16 report back on the final outcome.

17 CHAIRPERSON BELL: Thank you for that,  
18 but the other part was the demeanor. And my  
19 understanding that this is a high profile issue,  
20 so I'd like to see what will be the response of  
21 the commanding officer or the Chief in reference  
22 to this particular officer. Because my  
23 understanding in talking to Chief Drake, they  
24 have a profile and it was brought to the  
25 Department's attention quite some time ago. So

1 we need to know what is happening with that. If  
2 you don't know you can report it in the future  
3 but if you want to respond, because it was quite  
4 clear that these were good people, in a manner  
5 they were really emotional about demeanor.

6 AC WHITE: So, with that, I know that  
7 Chief Drake took the citizen complaint and that  
8 will be investigated and I'll report back at a  
9 later time as far as what the outcome is. But  
10 know that we take it very seriously, and that it  
11 will be thoroughly investigated, and I did meet  
12 with each and every one of the folks that came to  
13 that meeting. I stayed an hour behind the  
14 meeting and heard all of their complaints. I  
15 have been in constant contact with them and that  
16 we will be able to report the outcome as far as  
17 them, but as of right now, they're in a good  
18 place the actual folks that came to the meeting  
19 because they know I'm working on it.

20 CHAIRPERSON BELL: Thank you for the  
21 update. It was so emotional that we have to have  
22 a response.

23 COMMISSIONER CRAWFORD: I just want to  
24 say that I would like to wait until our  
25 investigation has been completed before we, you

1 know, kind of expound on anything. We all heard  
2 the Complaints last week and there's a formal  
3 investigation now. So upon the completion of  
4 that investigation then we can come back, which  
5 is I think, in essence, to the Chair.

6 CHAIRPERSON BELL: Well, that's fine,  
7 but this matter is sort of somewhat outstanding  
8 from past investigations, so I don't want us to  
9 continue 90 days and this officer is still  
10 engaging in this type of behavior. This is the  
11 pattern that we have already outlined and already  
12 brought it to the attention. So that's why I  
13 don't want us to procrastinate and say wait  
14 another 90 days; we need to address this issue  
15 now.

16 AC WHITE: So I personally had a  
17 conversation with the officer. The officer will  
18 not be issuing anymore of those type of ticket.  
19 So, as far as future concern, as far as for  
20 future holidays or vending, that will not occur.  
21 And then we moved immediately to issues a  
22 teletype, so as the Chief said in the meeting, no  
23 officers will be writing those type of tickets.  
24 We're out of that business and the teletype was  
25 reflagged so it won't be a reoccurrence of that.

1 MS. WASHINGTON: I just wanted to speak  
2 to the demeanor and just highlight that each and  
3 every one of the individuals that complained  
4 about this one particular officer, had to say  
5 that 99 percent of their encounter with the  
6 Detroit Police Department was positive. So that  
7 I just wanted to remind the public that the  
8 standard that the Chief has set for our  
9 Department as a whole, we do not tolerate it and  
10 we will not tolerate it from this officer as  
11 well.

12 Once the investigation is complete we  
13 will move to make sure that if his behavior was  
14 not in line with the direction of the Detroit  
15 Police Department that he will be disciplined.

16 CHAIRPERSON BELL: Thank you.

17 MS. WASHINGTON: I just have one last  
18 thing through the Chair. Just on behalf of the  
19 Chief Investigator Sharper for 30 years of  
20 service and we appreciate you and wish you God's  
21 speed and thank you very much.

22 CHAIRPERSON BELL: Thank you, Deputy  
23 Chief Hall. Okay. As we move on to getting  
24 standing or ad hoc committee reports at this  
25 time.

1                   COMMISSIONER MALLET: Mr. Chairman, if  
2 I might. Occasionally, I get copies of the  
3 citizen complaints that are filed and I trust the  
4 judgement of Chief Investigator Drake and these  
5 are in her judgement serious citizen complaints.  
6 So what happens is these get boiled down, and I'm  
7 going to return them back to her, but all of  
8 these then are referred to the Chief for some  
9 degree of counseling or the imposition of some  
10 kind of recognition around the fact that you've  
11 had some failure in terms of the policies and  
12 procedures.

13                   So, obviously, you guys keep a record of  
14 what it is that is done. Is there a way for us  
15 to--do we, Mr. Chairman, maybe I'm missing it  
16 understand what the punishment that has been  
17 played out what it was in a particular case. All  
18 these say refer to the Chief for disposition.  
19 What was the disposition? I'm just wondering  
20 what goes on. Drake, do you know?

21                   MS. DRAKE: Yes, sir. For the record,  
22 Pamela Davis-Drake, Chief Investigator. We do  
23 receive quarterly reports from Disciplinary  
24 Administration, and it does--we provide a  
25 spreadsheet for them. It kind of is a flow

1 chart. It talks about the case numbers and so  
2 forth when the case actually came in to us, when  
3 it was closed out. All of the findings and of  
4 course the allegations, and at the end  
5 disciplinary administration fills in the  
6 disposition. So we get that on a quarterly  
7 basis. I provide that to the Board on a  
8 quarterly basis. So you should be receiving  
9 those. If you haven't received them please let  
10 me know because I will provide it for you.

11 Also in our last 2015 report, annual  
12 report from the Office of the Chief Investigator,  
13 those dispositions were in there and that  
14 information, again, does come directly from the  
15 Disciplinary Administration.

16 COMMISSIONER MALLETT: I guess the only  
17 thing, Mr. Chairman, I would note is that when we  
18 get the report it's hard for us to relate it back  
19 to actually what occurred and so I don't have a  
20 solution. I'm just raising it up as a potential  
21 issue. Drake, I'm going to return these to you  
22 because they have questions on them and perhaps  
23 you can answer them for me.

24 MS. DRAKE: Sure, no problem.

25 CHAIRMAN BELL: Maybe we can make sure

1 that we're aware of the quarterly report that's  
2 coming back. Perhaps you can even report out in  
3 terms of your report in terms of where we stand,  
4 because that's an issue that we've been trying  
5 to get our arms around that so we appreciate  
6 that.

7 MS. DRAKE: Just as a reminder, you've  
8 been getting those reports now for about a year  
9 and a half.

10 COMMISSIONER MALLETT: I have no doubt  
11 that the process is working. I also have no  
12 doubt that I have not been paying attention.

13 COMMISSIONER DAWAELSCHE: Mr. Chair, if  
14 I could ask a question, quick question. On the  
15 quarterly report how will it be listed on there?  
16 Those that are referred for further disposition  
17 to the Chief, how is it listed on the quarterly  
18 report?

19 MS. DRAKE: I don't have the report in  
20 front of me, but I know it is broken down by the  
21 type of disciplinary that is given out. It could  
22 be informal counseling. It could go all the way  
23 up to a day suspended.

24 COMMISSIONER DAWAELSCHE: But it is  
25 categorized? It says refer to the Chief.

1 COMMISSIONER MALLETT: Oh, yeah.

2 MS. DRAKE: All of the cases go  
3 to--well, actually, all of the cases--not just  
4 the ones that are sustained, but all of the cases  
5 go to the Chief of Police designee. The  
6 sustained matters then are sent to disciplinary  
7 administration and they basically make the  
8 decision as to what type of discipline the  
9 individual will receive. Again, it can be  
10 anywhere from informal counseling all the way up  
11 to suspension. It just depends on the degree and  
12 frequency. The Department can probably give you  
13 more information on exactly how they break it  
14 down and how they make that decision, but it is  
15 very clear on the report that we receive, what  
16 type of discipline they receive.

17 COMMISSIONER DAWAELSCHE: I guess the  
18 question is how you tie it.

19 MS. DRAKE: You can tie it to the case  
20 number. The case numbers are on there. The BBC  
21 and the--I believe the names of the individuals  
22 are on there. Again, it has the allegation, the  
23 finding and what the disposition is at the end.  
24 So you can't tie it. It doesn't have any  
25 narrative on the report, obviously, if we're

1 talking about a substantial number of cases every  
2 month you're not going to be able to get all  
3 the narrative in there, but you can tie the  
4 specific case to the disposition. You can track  
5 it.

6 CHAIRPERSON BELL: Could you recirculate  
7 the last quarterly report. And what we're really  
8 concerned with is the frequency of a particular  
9 individual in high profile cases. But any  
10 demeanor if it adds up is a major concern of  
11 ours.

12 MS. DRAKE: And you do also receive--I  
13 know the citizen complaint committee, I provided  
14 that to them. I do have--I do see Mr. Hicks on  
15 the report as well, the top 20 every quarter. So  
16 you receive that as well or you should be  
17 receiving it. I know the citizen complaint  
18 committee does get that.

19 MR. MALLET: Can you make sure we all  
20 get that, Mr. Chairman.

21 CHAIRPERSON BELL: Yes. I'll send it to  
22 Mr. Hicks and he will disseminate it.

23 CHAIRPERSON BELL: I want to acknowledge  
24 Chief Craig has joined us.

25 CHIEF CRAIG: Thank you, Mr. Chair.

1 CHAIRPERSON BELL: Chief, do you want to  
2 make any comments?

3 CHIEF CRAIG: I just wanted to give the  
4 Commission an update. I just left the hospital  
5 and the 3rd Precinct. Both officers are still in  
6 recovery. However, one officer is going to have  
7 at least three separate procedures so he's still  
8 in significant pain. The second officer did have  
9 surgery and he's going to be going through  
10 therapy. So he will probably be released sooner  
11 than later, but both are very fortunate.

12 As I reported out, the one officer who  
13 sustained the gunshot wound to the leg was shot  
14 twice in his upper torso. Had he not been  
15 wearing protective body armor we'd probably be  
16 having a different conversation today. Actually,  
17 both are very fortunate. The suspect is still in  
18 recovery at another hospital and it looks like  
19 he's in stable condition at this point.

20 CHAIRPERSON BELL: Thank you. Any  
21 questions or concerns. Thank you for we already  
22 acknowledged outstanding work of DPD in terms of  
23 apprehending individuals in a timely manner and  
24 maintaining their composure with all of the  
25 issues surrounding incidents like that.

1 I will tell you this was probably one of  
2 the better managed incidents that I've seen in my  
3 time here. It certainly was very heightened,  
4 very dangerous. The suspect certainly from the  
5 video from the in-car really depicts mostly the  
6 entire incident. Clearly the suspect was  
7 dangerous. He was aggressive. When he concealed  
8 himself within the perimeter it was quickly  
9 established the officers who ultimately arrested  
10 him. He was again making an effort to silently  
11 attack those officers so this individual was a  
12 very dangerous person.

13 CHAIRPERSON BELL: Thank you, Chief.

14 CHAIRPERSON BELL: Mr. Hicks.

15 MR. HICKS: Thank you, Mr. Chair. I  
16 just wanted to bring to the attention of the  
17 Board that where it appears tonight that several  
18 of these reports appeared to collide with each  
19 other. I just want to remind you of the process.  
20 Roughly at the first of the year when you  
21 authorized a new schedule for the entirety of the  
22 year that schedule was shared with the  
23 Department and each of the varying reports and  
24 other activity was listed in connection with  
25 those.

1                   The two of those that are required by  
2 charter as Chief White indicated the other one  
3 really goes back to a report that was issued by  
4 the Department in 2014 that quite frankly had  
5 been on our side had nothing to do with the  
6 Department was kind of laying around. We thought  
7 as we began to look forward in terms of the  
8 annual report and the improvement plan to simply  
9 ask what had taken place between the 2014 report  
10 and now.

11                   That's what they're referring to as a  
12 survey and the basic organization of that survey  
13 lists out the varying things on the report and  
14 just asks whether or not this is completed, 75  
15 percent completed, 25 whatever the case may be,  
16 so that you would just have a sense of something  
17 that occurred from 2014 which was an extensive  
18 report. So I wanted to simply point out those  
19 things. Beyond that, Mr. Chair, I have nothing  
20 to add in terms of a report tonight.

21                   CHAIRPERSON BELL: Thank you, sir. Any  
22 questions or concerns for Mr. Hicks? Mr. Brown,  
23 have you circulated the cards? Thank you. Old  
24 business?

25                   (None responded.)

1 CHAIRPERSON BELL: New business.

2 COMMISSIONER CRAWFORD: Yes, sir.

3 Through the Chair under new business. There was  
4 a media report today about some Detroit Police  
5 Officer charged with a felony out in Ypsilanti  
6 and the media report said he was suspended  
7 without pay. So I will presume that will come  
8 before us shortly.

9 CHIEF CRAIG: I'm not sure unless it  
10 was an old case. There was a case that was  
11 somewhat dated so I don't know what case.

12 MS. WASHINGTON: We suspended him last  
13 year in October.

14 CHIEF CRAIG: So I guess he's still  
15 without pay.

16 MS. WASHINGTON: Yes.

17 CHIEF CRAIG: One of the other ones  
18 we're circulating.

19 COMMISSIONER CRAWFORD: Thank you,  
20 Chief. There was one other matter. I was so  
21 consumed with the events last night and today we  
22 did have another officer shooting incident part  
23 of a task force operation. As you know, Detroit  
24 Police Officers work on a number of task force  
25 officers with the US Marshals FBI Task Force.

1 Today in the City of Warrant DEFAT Task  
2 Force went to serve a felony warrant for criminal  
3 sexual conduct in the first degree of an  
4 individual in the City of Warren. They had  
5 contact with the individual. During that contact  
6 the suspect pulled out a gun and began to fire on  
7 the three agents including one being a Detroit  
8 Police Officer. All returned fire and that  
9 person succumbed to his injuries. So that matter  
10 is being investigated. The criminal  
11 investigation is going to be done by the Michigan  
12 State Police with agreement of Warren because the  
13 matter did happen in Warren. We will do a normal  
14 administrative investigation following the  
15 criminal.

16 CHAIRPERSON BELL: Thank you, Chief, for  
17 that update. Announcement our next meeting is  
18 going to be March 23th 3 p.m. publishing safety  
19 headquarters. The next community meeting we  
20 already made mention of is going to be March  
21 30th 6 p.m. at Lesaed Youth Center at 7150 West  
22 Vernor Highway and we're definitely high  
23 profiling that meeting and I would hope that you  
24 will share that with others not just in Detroit  
25 but any other community that want to attend.

1 Item Number C would be our community meeting on  
2 April 13th, which is on the second Thursday, 6:30  
3 p.m. 11th Precinct New Greater Zion Hill Church  
4 18891 St. Louis. That's east side. Someone  
5 asked me what is the major artery there 7 Mile  
6 and Mound area. But thank God for GPS in this  
7 day and age. I just want to also announce that  
8 the radio patrol which is really taking off is  
9 having an appreciation recruitment night city  
10 wide, and I call it the Old Redford Theatre 17360  
11 Lahser Road March 20th. It's on a Monday. The  
12 doors open at 5:30 and there's going to be  
13 activities, awards, et cetera, free screening of  
14 The Watch at 7 p.m.

15 So this is the radio patrol who's doing  
16 an excellent job trying to get people to see in  
17 city wide so I would hope that--I don't know  
18 about the free popcorn, but it's free screening  
19 of The Watch. Chief Craig might sponsor the  
20 popcorn.

21 CHIEF CRAIG: I don't do popcorn.

22 CHAIRPERSON BELL: And there's another  
23 announcement I wanted to make and that's AC  
24 Dole (ph) and Stephen Doeheh (ph) retirement  
25 party scheduled for March 30th on the same night

1 but it's at 5 p.m. I can't recall the location.  
2 We'll make sure that we have the proper  
3 information to share with him as LeSelle brought  
4 his retirement of 30 years. I'm going to miss  
5 him tomorrow because sitting next to him and we  
6 always have this interaction with each officer  
7 come across this stage from the height to the  
8 weight or whatever. He always say don't look so  
9 serious as you salute so I just enjoy his company  
10 in terms of many years. He's another one of  
11 those veteran officers you will know that's  
12 leaving this department and that's why we are  
13 recruiting to get a good people to replace good  
14 people. So that's the challenge.

15 I had talked to community activists and  
16 he said his son is moving back from LA and he  
17 want to apply. I guess he had been in the  
18 military. I think I conveyed to him he can apply  
19 on-line.

20 CHIEF CRAIG: Leaving Los Angeles?

21 CHAIRPERSON BELL: Yes, leaving LA  
22 coming back to Detroit.

23 CHIEF CRAIG: After last week with the  
24 cold weather maybe I should have a talk with him.

25 CHAIRPERSON BELL: I'm recruiting him

1 and another one of your interns is graduating  
2 this June. The young man I met he's in upper  
3 Michigan somewhere. He says he's already  
4 applied. He wanted to join. Two good people. I  
5 know I don't know the other young man, but I'm  
6 saying I know his grandfather has been in our  
7 community and just took over Community Relations  
8 in the 5th Precinct. J. Henderson is his name.  
9 You probably interact with him but he said his  
10 grandson is coming back home and he wants to join  
11 DPD family. We can't say enough about  
12 recruitment in this Department.

13 COMMISSIONER DAWAELSCHE: Mr. Chair, if  
14 I can make one announcement. There is an  
15 event coming up, Lieutenant, and I wondered if  
16 you could give us an overview on it.

17 UNKNOWN SPEAKER: We have an event here  
18 on March 24th. It's going to be the Women Behind  
19 the Badge. We're having young ladies come in to  
20 share the career in law enforcement and clear up  
21 some myths and misunderstandings about women  
22 being in law enforcement and help them to start  
23 their career path with us. That's going be 11 to  
24 2; however, we do have the events completely full  
25 so we won't be allowed to allow new individuals

1 in, but we'll be more than happy to host again in  
2 the near future.

3 COMMISSIONER DAWAELSCHE: Thank you.

4 CHAIRPERSON BELL: Thank you. That's  
5 good news. The next item of business would be  
6 oral communications from the audience. You have  
7 two minutes, and I ask that you respectfully  
8 respond. You're speaking to the Board and we  
9 will entertain your concerns because we respect  
10 you for coming out. Please give your name and  
11 Mr. Brown is going to start the process.

12 MR. BROWN: For Mr. Chair, our first  
13 speaker is Peter Rhoades followed by Ms. Smith  
14 and then Ms. Butler.

15 MR. RHOADES: My name is Peter Rhoades  
16 and I'm a resident of Detroit. I live up in the  
17 2nd District. That would be the 12th Precinct  
18 Green Acres Subdivision and they're celebrating  
19 their 30th anniversary of citizens patrols  
20 coming out in a couple weeks. Now, that's not  
21 why I'm here.

22 In fact, I don't even have a problem. I  
23 do have a concern and a slight heads up. In the  
24 newspaper it said that Wayne County deputies  
25 would be taking over exterior outside patrol

1 around sports venues like the new Little Caesars  
2 Arena and Comerica Park. There's a lot of  
3 institutional knowledge that goes into how to  
4 patrol around sports venues, including scalping  
5 tickets, don't do that; giving a ticket for  
6 vending without a license, don't do that.  
7 There's a lot of things, a lot of details, and my  
8 concern is when they take over they won't have  
9 that institutional knowledge. They're going to  
10 be giving out tickets, probably improper tickets,  
11 and then what's even worse is after everything  
12 kind of blows up on them they will say we're  
13 following Detroit Police Department procedure  
14 Board of Commissioners procedures so it's your  
15 policies and you don't want that.

16 So my suggestion, my recommendation, is  
17 Detroit reach out to Wayne County, give them the  
18 standard operating procedures, let them know what  
19 the real policies are and that way it will avoid  
20 confusion, avoid the end problem; that way being  
21 proactive you can stop this before it happens.

22 Now, I'm sure that there's somebody on  
23 staff who could do this, probably Ms. Washington,  
24 but somebody should really be reaching out to the  
25 Wayne County people to make sure they know what

1 our true policies and practices are. Thank you.

2 CHIEF CRAIG: First of all, the media  
3 representation of that is incorrect. Wayne  
4 County is not taking over policing at Little  
5 Caesars Arena, Tigers. They have been asked.  
6 It's kind of a best practice, like in a lot of  
7 major cities, that there's a multi-jurisdictional  
8 approach to policing these venues. We don't have  
9 a problem with that. I had a meeting as recent  
10 as several hours ago with Mr. Fenton who runs  
11 security for both the Tigers, and so there was  
12 never an intent to have Wayne County take over.

13 I had a conversation with the Sheriff,  
14 but at this point, and as Fenton will tell you,  
15 we are still the lead agency. It's in the City  
16 of Detroit so it's really a non-issue.

17 MR. RHOADES: Sounds good.

18 CHAIRPERSON BELL: Commissioner  
19 Crawford.

20 COMMISSIONER CRAWFORD: I just want to  
21 expound on that. I work for Wayne County. I can  
22 assure you from the union perspective that first  
23 proposal that they brought to us as union  
24 members, it won't pass. As a matter of fact, the  
25 union leadership may very well have some issues

1 and be in trouble with its membership but that's  
2 separate. What I thought of this from the  
3 beginning was it was disrespectful to present any  
4 proposal without picking up the phone and calling  
5 the police chief in Detroit or perhaps informing  
6 the City, the mayor in the City of Detroit that  
7 they were informed prior to this.

8 I'll say that you're absolutely correct  
9 in terms of the knowledge and expertise, and I'm  
10 sure I would probably be under probably over 300  
11 years of experience in downtown services. I'm  
12 talking about Detroit Police officers that  
13 work for downtown service that have done that  
14 historically for years, but if you put together  
15 all the experience and seniority that's in that  
16 union it's 300 years I'm sure one or more.

17 I think by no way is this a done deal.  
18 I'm very familiar with secondary employment and  
19 what they're trying to do. It was stated last  
20 week on the record that this is the City of  
21 Detroit. Downtown is Detroit, the neighborhoods,  
22 it is Detroit. So, first and foremost, even  
23 though I understand things are negotiated, et  
24 cetera, and maybe Detroiters may be a part of  
25 that process, but at least to inform us of what's

1 going on or the potential of what they're trying  
2 to do would be appropriate. Anything else is  
3 disrespectful in my opinion. Thank you

4 CHAIRPERSON BELL: Thank you,  
5 Commissioner Crawford. Thank you, Chief Craig.  
6 And I just hope that we maintain it, but millage  
7 and others pay their fair share for police  
8 service in terms of like other cities who are  
9 paying their fair share. I don't know how  
10 accurate that article is, but I'm concerned about  
11 making sure they compensate Detroit Police  
12 Department in terms of our budget and manpower.  
13 I'm pretty sure the Chief and the Mayor is  
14 working on those particulars. Thank you for  
15 bringing it to our attention and thank you for  
16 coming this afternoon to see us.

17 MR. RHOADES: Well, it was nice to be  
18 here.

19 MS. SMITH: Good afternoon. Bernice  
20 Smith. Good to see you, Chief and the  
21 Commissioners. I'm very, very glad of the news  
22 that we have received and I want all of us to  
23 know God is good. Everyone just about knows my  
24 love for the Police Department so I was quite  
25 concerned because my children live in that

1 particular area, but they were about a mile away  
2 on the Boulevard. So immediately I called after  
3 seeing you on TV and they were fine because  
4 they're a block away on the Boulevard from  
5 Pinewood. In the mean time, being the person  
6 that I am, I had a telephone call that I had  
7 received, and the information is very vital and I  
8 will tell you about it after the meeting is over  
9 with because I think you need it to know what's  
10 going on.

11 I did go down there in that particular  
12 area and I was familiar with one particular area  
13 of the block, which is on 23rd Street where my  
14 children used to go. My last set of girls used  
15 to go to the catholic school there. So you have  
16 core city down there on 23rd right on the corner.  
17 I used to go there with my grandson and we would  
18 give out the food. So in the mean time I did  
19 talk with some people down there and they were  
20 very informative so I will give you this  
21 information that I received and I think it would  
22 be very vital to the case. And again, I just  
23 want the police to be careful out here and I  
24 always tell them I love you and be careful out  
25 here because your life is very important. That's

1 what I wanted to tell to the Commission this  
2 afternoon. Thank you so much.

3 CHAIRPERSON BELL: Thank you.

4 MS. BUTLER: Good afternoon. My name is  
5 Fredia Butler. I'm a community activist. To the  
6 Chair, I would like to address Deputy Chief Hall.  
7 When I first--before the Chief came in I had  
8 already said that I wanted to say this to her.  
9 She only stayed at the precinct a hot minute, so  
10 she didn't stay long enough for me to protest to  
11 keep her there. The first thing she talked to me  
12 about was the power of prayer, and I keep our  
13 officers in prayer every day and I'm sorry to  
14 hear about our officers that were injured and I'm  
15 concerned about the mental illness because I  
16 understand he suffers from schizophrenia who was  
17 involved, but yet and still they're relaxing the  
18 gun issues so mental ill people can get guns.  
19 I'm really concerned about that because I had  
20 spoken with a woman who was mentally ill and  
21 during her illness she was telling me she knew  
22 what she was doing but she said she could not  
23 control it. She would know that.

24 The other thing I'm concerned about was  
25 the incident about the DPOA president that he had

1           been suspended with pay and was it a felony that  
2           he committed? I'm glad you are aware that he  
3           committed but still--he wasn't really punished  
4           for that. When we're talking with our young  
5           people and the work that our police officers are  
6           doing, I don't want any young person losing  
7           respect for our officers because they do an  
8           outstanding job.

9                       Our commander, his name is Brian Monte  
10           and Sergeant White have been unsuccessful. They  
11           feel at least the sergeant said she felt that  
12           because we wanted to have the program at the  
13           police station and the way kids and people feel  
14           about our officers but I was very, very concerned  
15           about this gentleman not receiving I feel proper  
16           punishment for what he did and it was known what  
17           he did.

18                      CHIEF CRAIG: Just for the record, Chief  
19           of Police did suspend without pay improperly, but  
20           I did suspend him without pay. The appropriate  
21           process is that I suspend with pay and then I  
22           bring it to the Commissioners and the Commission  
23           decides whether or not the individual member is  
24           suspended with or without pay. So the process  
25           was followed. And, in terms of due process, the

1 officer is still entitled to due process.

2 So to say he's got to go through the  
3 Court system and once he completes that we have  
4 an internal process that the person goes through  
5 that we do for any officer.

6 I just believe in everybody being  
7 treated fairly.

8 CHAIRPERSON BELL: We can't have a  
9 response back. You make your statement and so  
10 the Chief responded and Commissioner Crawford.

11 COMMISSIONER CRAWFORD: The Chief is  
12 absolutely correct. Suspending without pay is  
13 not a form of punishment. And also, too, it was  
14 the Board. The vote per the City Charter, it's  
15 the Commission that can suspend without pay and I  
16 voted to suspend without bay. So my colleagues  
17 voted to suspend with pay. That's what democracy  
18 is all about so to speak. I wanted to move on  
19 beyond that, but having said that, it was three  
20 years ago. Commissioner Mallett once stated to  
21 me that as a commissioner I could attend any  
22 meetings I wanted to attend, and the reason I-

23 COMMISSIONER MALLET: I've been in this  
24 thing three years already?

25 COMMISSIONER CRAWFORD: Two and a half;

1 something like that. I'm losing track of time,  
2 so many issues, but I just wanted to say that-

3 COMMISSIONER MALLETT: So what wise and  
4 wonderful thing did I tell you?

5 COMMISSIONER CRAWFORD: I could attend  
6 any meetings I like and I respect that and I say  
7 that applies to Commissioner Burton also. With  
8 with all due respect to Commissioner Burton, and  
9 I certainly hope that he and I can sit and have a  
10 conversation perhaps after this meeting or as  
11 soon as possible, because I have received some  
12 calls yesterday that he attended the DPOA  
13 meeting. And being that the president of the  
14 DPOA issues came before us, whether you voted to  
15 suspend or without pay is one issue, but I just  
16 think it's kind of inappropriate to attend their  
17 meeting until that issue is resolved with his  
18 president and it is a concern because I wouldn't  
19 want any of us as commissioners, or particularly  
20 Commissioner Burton, to be in any way hoodwinked  
21 or played so to speak by anyone in leadership of  
22 the DPOA; be it the president or anyone. And I  
23 say this with all due respect, and I certainly  
24 hope, sir, that you and I can sit and have a  
25 conversation and that we both would be blessed

1 with some wisdom and knowledge after that  
2 conversation. Thank you.

3 CHAIRPERSON BELL: Okay. If there's no  
4 other business before this Body, we don't  
5 restrict commissioners from attending any  
6 meetings anywhere, any time and say what they  
7 want to say. The Board's decision on this matter  
8 was voted on by this Board and we moved on in  
9 terms of due process, but that is an old issue  
10 and everybody have their opinion and their  
11 concern, but the Board has spoken and voted and  
12 we move on. If there's no other business we  
13 entertain a motion for adjournment.

14 COMMISSIONER MALLETT: So moved.

15 CHAIRPERSON BELL: Those in favor?

16 (Several responded by indicating  
17 aye.)

18 CHAIRPERSON BELL: Those opposed.

19 (None responded.)

20 CHAIRPERSON BELL: And thank you for  
21 coming and having a great afternoon, and Sharper  
22 family, bless you.

23 (The proceedings concluded at 4:28  
24 p.m.)
